SKYPE THE DIRECTOR

Skype the Director is an avenue where members can communicate with the District Director on a variety of athletic training issues. Topics will vary from month to month. If necessary, key members from NATA committees and office staff will also be invited to participate in the discussion. This event is held on the first Tuesday of each month. Sessions will begin at 12pm and last 30-45 minutes in length.

FREE CE PROGRAM

Each year, through the Advanced Education Committee,

District 2 offers one free CE to its members as a member benefit. What is distinctive about this program is that the content for the on-line presentation

comes from members within our own district.

Program hosted and sponsored by Sport Safety International
